## TERMS OF GUARANTEE

S. Smith & Sons (Radiomobile) Ltd., guarantee this receiver against failure arising through faulty workmanship or material for a period of six calendar months from date of purchase. During this period, subject to the conditions stated, the Company will replace or repair any defective part free of charge if the instrument is returned to the works or to any of the Company's dealers.

### RECEIVER GUARANTEE

**1** The guarantee is applicable only to the original purchaser who has purchased from an accredited Smiths Radiomobile dealer at the Company's published retail selling price, or to the purchaser of a new vehicle which is fitted with a Smiths Radiomobile Receiver as standard equipment or optional extra, and any claim must give particulars of the serial number, type and date of purchase.

**2** The Guarantee will be rendered invalid (a) if the instrument is misused or (b) if any unauthorised alteration, modification or substitution of any part or parts of it be made, (c) if any service is given during the Guarantee period at any place other than the Company's premises or the premises of one of the Company's dealers, or (d) if the serial number be defaced or altered.

### VALVE GUARANTEE

**A** The valves used are Guaranteed by the valve manufacturer for a period of three calendar months from the date of purchase. This Guarantee is given only in respect of faulty workmanship and material and does not cover misuse or consequential damage.

**B** Claims under this Guarantee will only be considered if the valve is returned through a Smiths Radiomobile dealer, and is accompanied by an official B.V.A. claim form.

### IMPORTANT NOTICE

- Claims under this Guarantee should, in the first instance be made to a Smiths Radiomobile dealer, who should be able to locate the trouble and often apply a quick remedy. He will also be able to advise if the fault is due to some part of the installation outside the instrument itself, and not covered by the Guarantee.
- This Guarantee does not cover removal of motor noise, tyre static, or other electrical interference, nor does it cover the correction of faulty installation.
- Any labour, carriage or packing costs incurred in the replacement of faulty materials are not covered by the terms of this Guarantee, and are chargeable.
- This card must be presented with the equipment when service is required, as no Guarantee service can be rendered without it.
- To prevent delay in replying to queries, this card should always be enclosed with any correspondence to the Company. Its safe return to you is assured.
